“The Current COVID-19 global pandemic is having a significant impact on local businesses and events. It is with deep sadness and heavy hearts that we announce the cancellation of the 2021 Welland Floatfest. The Health and Safety of the community has always been our number one priority. With travel bans and limits to public gatherings, we cannot consciously hold an event of this size,” says Angie St. Pierre, Security Coordinator and Social Media Rep. at Welland Floatfest. “We would like to extend our gratitude to Canadian Tire, as well as, all of our sponsors and community supports. We look forward to working with you all again to plan our 5th anniversary event for July, 2022.”

The Welland Floatfest is a Non-Profit Organization. One of its most defining aspects is the Community Food Drive. The festivals board members understand that another cancellation of this event will have a huge impact with local food banks. With the serious implications this pandemic has already had on our community, and the rise in people needing to use the food banks, they urge everyone to continue supporting Community Food Drives throughout the year.
